

Enter 'Direct Entry' Data Online

Last Modified on 02/13/2018 4:29 pm EST

There are several ways to add or view indicator results. This page describes the best place to edit or review indicator results (or an activity's data entry status) for a particular reporting period.

Go to the Results dropdown menu and select Reporting Periods.

Click on the reporting period of interest.

DevResults

Click on a single indicator. This page shows the geographic and demographic disaggregations required for the indicator (if any). Totals are generated automatically. You can click on a single cell to add or edit data. The far right column provides the opportunity to add narrative comments for each geographic disaggregation.
