

Enter 'Data Table' Data Online

Last Modified on 01/25/2018 6:11 pm EST

From any screen in DevResults, click the Results tab at the top and click on Data Tables.

From the next screen, click on the name of the Data Table you'd like to enter data for.

Search data tables

Name	# Records	Columns
Gross Margins for Crops	202	Activity, Crop type, Date of sale, Department, Gross margin, Price per kg, Quarterly cost per kg
PwP interventions log	994	Activity, Age, Date of service, HIV Status, Location, Patient ID number, Sex
Trainees	2,978	Activity, Age, Date, Final Test Score, Geography, Initial Test Score, Points Improved, Sex, Trainee ID, Training Type

This will display the Data tab for this data table. To begin entering data, click on the **+Add new record** button. This will open a Data Form where you can enter data for each row. (The fields available here will depend on the columns defined in your data table.) You can then enter data for the fields.

Note: New records added to the table will appear at the top of the table until you refresh the page, at which point they will appear as the last entry in the table.

If you have more than one record you'd like to enter, click the **+Add New Row** button at the bottom of the pop-up box to go to another blank record. Once you've completed adding new records, you can click the **Done** button to save.

The screenshot displays the DevResults application interface. At the top, there's a navigation bar with a logo, 'Fictitious Org Sample Project', a search bar, and a user profile icon. Below this is a secondary navigation bar with tabs: Dashboard, Activities, Results (selected), Calendar, Documents, Photos, and Administration. The main content area shows a breadcrumb trail: Home > Results > Data Tables > Gross Margins for Crops. The title 'Gross Margins for Crops' is prominently displayed. Below the title are 'Data' and 'Design' tabs. A search bar and a settings icon are also present. The table shows 0 records initially, with buttons for 'Delete' and 'Add new record'. The table itself has columns: Key Value, Locked?, Activity, Date of sale, Department, Crop type, Quarterly cost per kg, Price per kg, and Gross margin. It lists 18 records with various agricultural activities and their associated costs and margins. A vertical orange arrow on the right side of the table points downwards, indicating the direction of new record insertion. At the bottom, there's a footer with the DevResults logo, a note 'Created by Collecte Loge (12 Nov 2016)', a 'Delete this data table' button, and a green 'Done' button.

If you need to correct an existing entry, click on the relevant row to open its Data Form and update the necessary field(s) in the Data Form. Your change is saved as soon as you navigate to a different field.

You can navigate to other records using the Up/Down buttons or simply click the X again to close the Data Form.
