Form Templates: Activity

Last Modified on 02/28/2018 3:15 pm EST

The "Forms" tab in DevResults offers some basic tools to help you create reports in Microsoft Word (or PDFs). You can create form templates for activities, for a single reporting period/activity combination, and for indicators. This page provides placeholders and access instructions for the Activity Form Template type. For detailed instructions on how to use forms and create form templates, please see: **How to Use Forms** .
