

Form Templates: Reporting Periods

Last Modified on 02/28/2018 3:57 pm EST

The "Forms" tab in DevResults offers some basic tools to help you create reports in Microsoft Word (or PDFs). You can create form templates for activities, for a single reporting period/activity combination, and for indicators. This page provides placeholders and access instructions for the Activity (one reporting period) Form Template type. For detailed instructions on how to use forms and create form templates, please see: [How to Use Forms](#) .

How to Access this Form

You can access an Activity (one reporting period) Form in one of two ways:

- From Activities (all users):
 - Go to Activities and select the activity you want to view.
 - On the Overview tab (the tab that opens), scroll to the Reporting Periods section.
 - Click on the reporting period you want to view for this activity.
 - On the screen that opens, click the **Forms** tab.
 - Click on the form you wish to view; it should automatically download.
- From the Reporting Periods screen (only users with appropriate privileges):
 - Go to Results->Reporting Periods.
 - Select the reporting period you want to view.
 - Once the reporting period details screen opens, select the activity you want to view for that reporting period.
 - When the activity page opens, click the **Forms** tab.
 - Click on the form you wish to view; it should automatically download.
