From any DevResults page, click on your picture (or default initials) in the top right corner. From the dropdown menu that appears, select **Edit profile**.

The screenshot shows the DevResults dashboard for Francine Kotodjou. The user's name and profile picture are in the top right corner. A dropdown menu is open, showing options: 'Edit profile' (highlighted with an orange box), 'Log out', and a language selection menu. The dashboard includes several charts and maps, such as 'Activity Map', '1-c # individuals who have received agricultural productivity or fo...', '3.1.2-b # HIV-positive people who received antiretrovirals to reduce risk of f...', and '1.3-d # person-hours of training on land tenure & prope...'. The 'Edit profile' button is located in the top right corner of the dashboard.

On your profile page, click on the **Send password reset link by email** button.

The screenshot shows the 'Edit Profile' page. The page is divided into sections: 'Photo', 'Contact Details', and 'Preferences'. The 'Contact Details' section includes fields for Name (Francine Kotodjou), Job title (Program Management Specialist), Department, Email (francine.kotodjou@devresultsdemo.com), and Work Phone. The 'Preferences' section includes a 'Password' section with a 'Send password reset link by email' button (highlighted with an orange arrow), an 'Email Notifications' section with radio buttons for 'whenever there is an update', 'once per day', 'once per week', and 'never', and an 'Additional Communications' section with checkboxes for 'I would like to get advance notice of major new features' (checked) and 'I would like to be a beta tester' (unchecked).

Check your email and click on the link provided to reset your password. Be advised that passwords must be at least 8 characters long, and **commonly used or known leaked passwords** are not allowed.
