From any DevResults page, click on your picture (or default initials) in the top right corner. From the dropdown menu that appears, select **Edit profile**.

The screenshot shows the DevResults dashboard for Francine Kotodzou. The user's name and profile picture are in the top right corner. A dropdown menu is open, showing options like 'Log out', language preferences, and 'Edit profile', which is highlighted with an orange box. The dashboard includes various charts and maps, such as 'Activity Map' and 'Individuals by Region'.

On your profile page, click on the **Send password reset link by email** button.

The screenshot shows the 'Edit Profile' page. It has sections for 'Photo', 'Contact Details', and 'Preferences'. In the 'Preferences' section, the 'Password' status is 'You have a password.' and the 'Send password reset link by email' button is highlighted with an orange arrow. Other options include 'Email Notifications' and 'Additional Communications'.

Check your email and click on the link provided to reset your password. Be advised that passwords must be at least 8 characters long, and **commonly used or known leaked passwords** are not allowed.
