

# Upload Photos

Last Modified on 09/13/2023 2:25 pm EDT

DevResults allows you to store photos. Every photo is associated with an activity. Photos are uploaded to an activity page and all photos can be viewed in the global photos page found at **Tools > Photos**. Photo storage is unlimited.

To upload a photo, go to the blue **photos** tab of your **activity page**.

The screenshot shows the DevResults interface for an activity named "Access to School Lunches". The page has a navigation bar with tabs for Overview, Performance, Budget, Geography, Checklists, Forms, Documents, Calendar, Photos, Discussion, and IATI. The "Photos" tab is highlighted with an orange arrow. Below the navigation bar, there are sections for Reference and Description. The Reference section includes fields for Name, Short Name, Reference #, and Code. The Description section includes Context and Objectives.
