Key Points from the Video

Context

This video is a recording of a live webinar hosted on 30 April 2019 about the Matrix feature. Matrix is a powerful query tool for creating reports. Find Matrix in any indicator's reports tab. Our main objectives in developing this feature were:

- Enabling cross-disaggregation
- Grouping by fiscal year
- Adding more filters
- Providing target versus actuals analyses
- Persisting display choices between visualizations

Video index:

- Cross-disaggregation [00:52]
- Display values (actuals versus targets) [5:32]
- Show/hide Totals [7:48]
- Filters [10:52]
- Incremental versus cumulative [14:28]
- Visualizations [16:38]
- Dashboards [19:25]
