

# Activity Metadata

Last Modified on 09/20/2022 3:41 pm EDT

To quickly visualize general activity metadata, navigate to **Data > Activity Metadata - beta**

The screenshot shows the DevResults interface for Activity Metadata. The left sidebar contains navigation options: Dashboard, MultiMatrix, Activity Metadata - beta (selected), Overview, Timeline, Timeline (ng), Money, Map, Custom Queries, Saved Reports, Enter Data, Per Reporting Period, In Data Tables, Per Indicator, and Per Activity. Below these are sections for Primary Organization, Awarding Organization, and Activity is. The main content area features a search bar labeled 'Search activities' and a table with columns: Name, Ref #, Start Date, and Status. The table lists various activities such as 'Access to School Lunches', 'Addressing Corruption in Local Government', and 'AgrIMAX'. A 'Delete' button is visible in the top right of the table area.

Click on the list menu on the far right-hand side. You'll be given options to visualize information either in a Matrix or a Pie Chart.

This close-up shows the visualization options menu that appears when the list icon is clicked. The menu contains three options: Grid (represented by a list icon), Matrix (represented by a grid icon), and Pie Chart (represented by a pie chart icon). The Matrix option is currently selected and highlighted. In the background, a portion of the activity table is visible, showing columns for 'Start Date' and 'Status' with values like '22 Dec 2015' and 'Active'.

The Matrix option will offer a display tool where you can select what fields to add as rows and columns. Once you've selected the relevant disaggregations, you can choose to include or hide totals.

Search activities

	Department of State	Gates Foundation	US Department of Defense	USAID	Total
Capacity Building	1	1	1	16	19
Children	1	2	1	17	21
Climate	1		1	5	7
Data		1	1	12	14
Gender		1		6	7
Infrastructure				5	5
Rural	1	1	1	19	22
<b>Total</b>	<b>3</b>	<b>3</b>	<b>3</b>	<b>36</b>	<b>45</b>

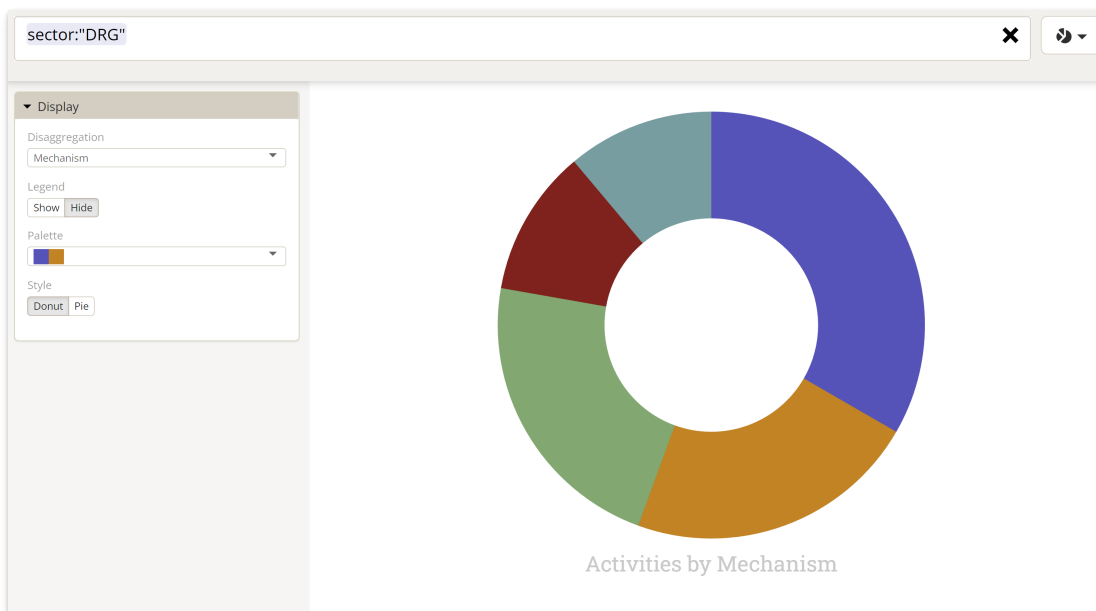

You can also filter the data displayed by using the left-hand side filter selections, or by using the search bar.

9 of 45 activities shown

sector:"DRG"

	US Department of Defense	USAID	Total
Capacity Building	1	5	6
Children		1	1
Data	1	2	3
Gender		1	1
Infrastructure		1	1
Rural		6	6
<b>Total</b>	<b>1</b>	<b>8</b>	<b>9</b>

Similarly, the pie chart option allows you to display information disaggregated by any of the fields available. You can show or hide the total and change the palette, as you can with any indicator display **pie chart**.
